Letshego Holdings Namibia Launches First Deposit-Taking Branch in Oshakati – A Major Milestone for Financial Inclusion

Oshakati, Namibia – 15 April 2025 – Letshego Holdings Namibia is excited to announce the official opening of its first deposit-taking branch in Oshakati. This marks a significant step forward in the company's mission to provide inclusive and accessible financial services to communities nationwide.

The branch is located at Shop No. 10 in the Oshakati Shopping Centre (Game Complex) on Okatana Road. This modern facility offers banking and microfinance solutions, making it easier for individuals, entrepreneurs, and small businesses to access the financial tools they need to grow and succeed. This new branch demonstrates Letshego's commitment to supporting Namibia's socio-economic development. By expanding its presence in Oshakati, Letshego reaffirms its promise to empower more Namibians with affordable, suitable, and impactful financial solutions.

His Worship, the Mayor of Oshakati, Mr. Leonard Hango, officiated the branch inauguration, attended by key dignitaries from the local councils. Their presence highlighted the strong partnerships and shared vision between Letshego and local government officials, emphasising a unified effort toward economic empowerment, innovation, and regional development.

In her remarks at the ceremony, Dr. Kali, the Chief Executive Officer of Letshego Holdings Namibia, stated, "This branch is more than just bricks and mortar—it's a gateway to opportunity. It represents Letshego's purpose: to improve lives by extending financial access to every corner of our country, especially underserved regions."

With a strong focus on financial inclusion, financial literacy, and innovation, Letshego Holdings Namibia continues to deliver simple, accessible, and impactful financial services. This latest development reflects the company's long-term strategy to diversify its offerings and reach more customers across Namibia.

The Oshakati branch is fully operational and ready to serve customers from all walks of life with various services, including transactional accounts, savings and investments, home loans, personal

loans, and microfinance solutions tailored to support individuals and small businesses to enhance their livelihoods.

END.
