

A TRIBUTE TO AN INSPIRATIONAL LEADER, COLLEAGUE AND FRIEND

The Board, staff and associates of Letshego Group are profoundly saddened by the passing of Rre Legodile Ernest Serema, an inspiring leader, mentor, colleague and friend.

Rre Serema joined Letshego as a valued Group Board member in 2009, where he played a memorable role in leading and supporting Letshego's expansion into 11 African markets, and successful product diversification into supporting the growth and potential of micro and small entrepreneurs across the continent.

Rre Serema then moved on to take the helm as Letshego Botswana's Board Chairman for a period of two years, in which time the Botswana business surpassed its milestone loan book value of BWP2billion.

Rre Serema's humility, kindness, respect, passion and invaluable insight remain part of Letshego's legacy – he was a visionary leader and a catalyst for impactful and sustainable change.

Rre Serema's sense of humour, pragmatic leadership and ability to know almost every Letshego member by name – no matter their role or location – infused infectious vibrance into Letshego's culture. Letshego is forever grateful and richer for being a part of Rre Serema's life journey.
