

## Benefits:

The Flexi Savings account empowers you to grow your savings progressively. The more you save, the more you earn with our competitive interest rates that are linked to the Central Bank of Lesotho's savings rate. This product offers unparalleled flexibility, allowing you to access your money whenever you need it without penalties or restrictions. The convenience of setting up recurring deposits and making unlimited free transfers between accounts makes managing your finances effortless. With no monthly management fees, every Loti you deposit works toward building your financial future.

## LetsGo Flex

A flexible investment  
with rewarding returns.

LetsGo Flex offers the benefits of a fixed deposit, higher interest rates for a fixed term, with added flexibility. This account is perfect for those who want to commit to a savings plan but may need partial access to their funds before maturity.

## Key Features

### Investment Term

Choose a term that suits you, from 3 to 120 months.

### Minimum Deposit

M50 for individuals, MSMEs, SACCOs and Group Savings; M100, 000 for large entities.

### Interest

Interest is calculated daily and paid monthly, boosting your investment's growth. Rates vary based on the amount and tenure of your deposit.

### Partial Withdrawal

Access up to 20% of your deposited funds during the investment term. Withdrawals are limited based on the percentage you requested at account opening.

### Additional Deposits

You can add more funds to your investment at any time during the term.
