

LetsGo Fixed

Your partner for long-term, high-yield investment.

For the disciplined investor, our Fixed Deposit account (also known as LetsGo Fixed) offers our most attractive interest rates for a fixed period. This is an excellent money-saving plan for those who can commit their funds for the full term to maximize their earnings.

Key Features

Investment Term

Lock in your investment for a term between 3 and 120 months.

Minimum Deposit

M1, 000 for individuals, MSMEs, SACCOs and Group Savings; M100,000 for large entities.

Interest

Interest is calculated daily and paid annually to your account. Rates vary based on the amount and tenure of your deposit.

Additional Deposits

No additional deposits are allowed during the term of the investment.

Withdrawals

No partial withdrawals are allowed, ensuring your investment grows undisturbed.

Early Redemption

If you withdraw funds before maturity, a penalty fee will apply as per our Pricing Guide, resulting in lower interest or no interest being paid.

Cooling-Off Period

A 7-day cooling-off period allows for penalty-free closure if your circumstances change. No interest is paid during this period.

Renewal

When your Fixed Deposit matures, you can opt to renew the agreement. The reinvestment will follow the new terms and interest rate prevailing for Fixed Deposits at that time.

Account Closure

Free account closure at maturity. Early closure before maturity will incur penalty charges.
