

# Letshego Ghana Products and Services

We are committed to our customers and aim to improve lives through the provision of simple, appropriate, accessible, ethical, responsive and affordable solutions.

# Innovative Products To Help You Meet Your Financial Goals

Lending

1

We offer affordable loans with repayments tied to the income generated by the loan.

Savings/Investment

2

Competitive interest rates with guaranteed access to your money whenever you need it.

Lifestyle

3

Improving lives by offering dynamic value-adding lifestyle solutions (wellbeing, education and personal finance).

Access to capital empowers you, our cherished customer, to improve your circumstances, grow your businesses and achieve your life goals and objectives.

## Deduction At Source (DAS) Loans

A fully digitized payroll deduction scheme for employed individuals (public and private sectors).

## Instant Loans

Small loans granted quickly. Customers with documentation on file receive their cash on average within 10 minutes from loan application. Responsible management of these loans helps customers develop their credit profile.

## MSME Lending

Offers much needed funding solutions that address social needs (affordable housing, education, healthcare etc.) in a digital and more accessible way. These products aim to create demonstrable and sustainable social impact while also delivering commercial value.

## EZ Loan

This is a product designed to cater for short-term financial needs, whereby customers can use their Tier 3 Pension as a collateral in accessing a loan.

Our savings products gives you a safe place to save so that you can pay for unforeseen costs and prepare for future costs such as a child's education.

## Flexi Save

Is a digital, interest bearing savings account that can be accessed when needed.

Our savings accounts offer competitive interest rates and customers are guaranteed access to their money whenever they need it.

Our investment solution offers you the opportunity to generate income and grow your wealth all at the same time allowing your dreams to materialize.

## Fixed Deposit Solution

An investment solution that offers flexible tenures( 91, 182 and 365 days) and competitive interest rates.

Through our strategic partnerships, we are diversifying beyond traditional financial solutions to offer you dynamic value-adding lifestyle solutions (wellbeing, education and personal finance).

## Digital Wellbeing

Product provides customers with access to online health and wellness information.
