UNAUDITED CONDENSED CONSOLIDATED INTERIM RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2020

The Board of Directors of Letshego Holdings (Namibia) Limited ("LHN/the Group") is pleased to present an extract of the unaudited consolidated results for the half year ended 30 June 2020.

OVERVIEW OF FINANCIAL PERFORMANCE

Against the backdrop of a challenging and increasingly competitive environment, Letshego realised negative growth in both revenue and profits. These declines were mainly driven by yield compression as overall interest rates on advances declined. At the same time, revenues from cell captive arrangements declined due to higher loan write-offs as well as reduced insurance default cover premiums. Although growth in operational expenses was minimal at 3%, this was out-weighted by the significant drop in revenue.

FINANCIAL HIGHLIGHTS (HALF YEAR 2020 AGAINST HALF YEAR 2019)

- Total revenue decreased by 23% (2019: 4% increase), and Advances to customers grew by 18% (2019: 7%).
- Staff and operational expenses increased by 3% (2019: 7%), due to cost containment initiatives.
- Cost to income ratio increased to 33% from 24% in 2019, as a result of the decline in total revenue.
- Impairment charge for the period was NAD11.4m (2019: NAD9.9m), translating to a loan loss ratio (against average gross advances) of 0.4% (2019: 0.4%).
- Profit after tax was NAD148m (2019: NAD235m), a decrease of 37% (2019: 2% increase).
- Return on average equity was 11% (2019: 17%) and Return on average assets was 9% (2019: 15%).
- Earnings and headline earnings per share of 30 cents (2019: 47 cents) were achieved, a decrease of 36% (2019: 2% increase).
- As per existing dividend practice, no interim dividend is being declared.

NON-FINANCIAL HIGHLIGHTS

- Transactional LetsGo accounts increased by 59% from 12,590 as at 31 December 2019 to 19,973 as at 30 June 2020. This mirrors the growth in retail deposits from N\$43 million at 31 December 2019 to N\$65 million at 30 June 2020.
- Contributions to Covid-19 assistance amounted to N\$700,000 to the Government Relief Fund, N\$100,000 earmarked for staff assistance and N\$300,000 promised for further Covid'19 relief during the 2020 financial year.
- Letshego Namibia embarked on formal agreements with our four Strategic Social Investment partners with expected annual contributions from Letshego being N\$627,500 in 2020 and N\$878,000 during 2021.

BOARD AND EXECUTIVE CHANGES

Ms Mythri Sambasivan-George stepped down as a Director on 24 April 2020. A suitable replacement has been identified and their appointment will be announced after the relevant regulatory approvals have been obtained. Mr Gregory Madhimba who served as the Chief Financial Officer resigned effective 15 August 2020. We would like to thank him for his immense contribution to the Letshego Group and we wish him the best of success in his future endeavours.

PROSPECTS

As the COVID-19 pandemic continues to unravel, economic conditions are anticipated to remain depressed over the medium term. In the existing low interest rate environment, margins are expected to be under pressure. During this period, Letshego will focus on accelerating its digitisation agenda in order to harness operational efficiencies as well as extend its reach to its customer base while enhancing the customer experience. To ensure sustainability during these turbulent times, Letshego is focusing on strengthening its competencies in the existing core business, improving organisational agility, cost discipline and refreshing its organisational design and approach to innovation. Deposit mobilisation initiatives will continue as Letshego grows its deposit base. While the Group remains committed to delivering shareholder returns, the existing business environment calls for a more prudent approach in the preservation of capital. As such, Letshego's approach to the road ahead will be underpinned by ensuring that the Group's capital is adequate to absorb potential shocks from the operating environment.

DIVIDEND

Chairperson

As per existing dividend practice, no interim ordinary dividend is being declared.

For and on behalf of the Board of Directors:

Maryvonne Palanduz

19. Significant changes in the current reporting period

Although the local economic conditions and the effects of the COVID-19 pandemic have affected market confidence and consumer spending patterns, the group will continue to focus on its digitisation agenda in order to expand its customer reach and improve efficiencies. There were no new activities, events or transactions that are significant to an understanding of the changes in the financial position and performance of the entity since the last annual reporting date.

20. Segment information

The group considers its banking and other financial services operations as one operating segment. There are no other components. This is in a manner consistent with the internal reporting provided to the chief operating decision-maker, identified as the Chief Executive Officer of the group. The chief operating decision-maker is the person that allocates resources to and assesses the performance of the operating segment(s) of an entity.

21. Events occurring after the reporting period

There are no significant reportable events that have occurred since the end of the reporting period.
